Declaration of Kevin L. Loss in Response to Notice Mailed on May 4, 2004

I, Kevin L. Loss, declare that:

- I am a citizen of the United States residing at Augusta, Kansas.
- I made and conceived the invention described and claimed in U.S. Application No. 110/788,822, filed on February 27, 2004 and entitled METHODS AND SYSTEMS FOR CONTROLLING FLAMMABILITY CONTROL SYSTEMS IN AIRCRAFT AND OTHER VEHICLES.
- I made and conceived this invention while employed by The Boeing Company; the invention is related to the work I was employed at the time to perform and was made within the scope of my employment duties; the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of The Boeing Company.
- The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy Commission or its successors: Energy Research and Development Administration or the Department of Energy.
- The invention was not made (conceived or first actually reduced to practice) under nor is there any relationship of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States

Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
